MANSSION MUSIC

CHILDREN'S EDUCATIONAL CONCERTS GRADES 2-6

Mansion Music - A Virtual Tour thru American Classical Music is a safe and entertaining music education program for school children from grades 2 - 6. Musicians Arisa Kusumi - soprano, Abby Collins - cello, and Heather Langs - piano present a fun lesson on American classical music and how it evolved from both European influences and from the jazz, spirituals, and folk traditions of historic America. Children can sing, dance, and clap along with the video to learn some of the fundamental concepts of music and how they tie in with musical and American history. This program was made possible by the United Arts of Central Florida.
